

4 Day Shooting Experience in Estonia

Who we are:

List of life Event is a London based company who have been running for 14 years, we specialise in organising socials, corporate activities and weekend trips. Our creative team of event organisers have come up with a range of activities that are thought provoking, mind stimulating and even stress relieving.

The Overview

Choose a pistol and survival or rifle and unarmed combat with this 4 day shooting experience in Estonia, coached by former Special Forces personnel.

Pistol and Survival

Our pistol experience includes professional instruction and firing of a variety of handguns including the Glock and CZ 9mm as used by the military and perfect for those with no prior experience. This adrenaline rush shooting experience includes weapon drills, basic pistol manipulation, shooting positions, malfunction drills and of course a variety of shoots to test your teams new found skills culminating in a competition to determine the best shot! Learn about the key elements of survival including shelter building, fire making, water sourcing and catching and preparing food.

Rifle and Unarmed Combat

Our rifle experience includes professional instruction and firing of a variety of rifles including the AR 15, AK-47 and CZ 858. Weapons training including stripping and assembling, stoppage drills and of course a variety of shoots to test your teams new found skills. Culminating in a competition to determine the best shot. Incorporated within this package is the opportunity to participate in unarmed combat. Learn several fascinating techniques in how to maximize body weight, various strikes, throws and locks to defeat an opponent.

This four-day shooting experience includes:

- Airport and training venue transfers from Tallinn to Parnu
- Accommodation and Food
- Weapons, ancillaries and ammunition
- All personal protective equipment including ear protection and safety glasses
- Tuition by former Special Forces personnel
